

iPhone Xs features a 5.8-inch Super Retina display with custom-built OLED panels for an HDR display that provides the industry's best colour accuracy, true blacks and remarkable brightness.¹ Advanced Face ID lets you securely unlock your iPhone, log in to apps and pay with just a glance. The A12 Bionic chip with next-generation Neural Engine uses real-time machine learning to transform the way you experience photos, gaming, augmented reality and more. A breakthrough 12MP dual-camera system takes your portraits to the next level with Portrait mode, Portrait Lighting, enhanced bokeh and all-new Depth Control. Water resistance.² And iOS 12—the most advanced mobile operating system—with powerful new tools that make iPhone more personal than ever.

- 5.8-inch Super Retina display (OLED) with HDR¹
- IP68 dust- and water-resistant (maximum depth of 2 metres up to 30 minutes)²
- 12MP dual cameras with dual OIS and 7MP TrueDepth front camera—Portrait mode, Portrait Lighting, Depth Control and Smart HDR
- Face ID for secure authentication and Apple Pay³
- A12 Bionic with next-generation Neural Engine
- Wireless charging—works with Qi chargers⁴
- iOS 12 with Memoji, Screen Time, Siri Shortcuts and Group FaceTime⁵

¹The display has rounded corners. When measured as a rectangle, the iPhone XS screen is 5.85 inches diagonally. Actual viewable area is less. ²iPhone Xs is splash-, water- and dust-resistant, and was tested under controlled laboratory conditions with a rating of IP68 under IEC standard 60529 (maximum depth of 2 metres up to 30 minutes). Splash, water, and dust resistance are not permanent conditions, and resistance might decrease as a result of normal wear. Do not attempt to charge a wet iPhone; refer to the user guide for cleaning and drying instructions. Liquid damage not covered under warranty. ³Apple Pay is not available in all markets. For a list of Apple Pay countries and regions, see www.apple.com/ios/feature-availability/#apple-pay. ⁴Qi wireless chargers sold separately. ⁵Group FaceTime will be available in iOS 12 later this year through a software update.
