

# Description

---

Note: 5G service not currently available to SaskTel customers.

You don't need a smartphone. You need a power phone.

- One as beautiful as it is intelligent
- A pen that is mighty
- A battery that doesn't leave you hanging
- And is as well-connected as you are.

The Samsung Galaxy Note20 Ultra 5G take power to the next level with cutting-edge technology, letting you master whatever you choose to do next.
