

Description

The Samsung Galaxy S10 with Dynamic AMOLED Infinity-O Display offers an uninterrupted cinematic experience with a bezel-less screen.

Ultrasonic Fingerprint provides vault-like, in-screen security only you can unlock.

The Pro-grade Camera with an ultra-wide lens delivers a full field of vision so your photos never leave anyone, or anything, out of ear shot. With a full kit of pro lenses including a front camera and three rear cameras, this professional camera acts like the human eye, so you can capture the world as you see it.

Wireless PowerShare lets you charge any wireless-charge device including your Galaxy Buds, Galaxy Watch or even a friends phone¹.

¹Works with Qi-compatible devices. Speed and power efficiency of charge varies by device.
