

Description

Note: 5G service not currently available to SaskTel customers

Shoot, direct and produce anywhere on the sleek, powerful Samsung Galaxy S20 Ultra 5G.

- Always be ready to shoot with a pro kit of lenses and capture richer colours, deeper shadows and finer details with the 108MP High Resolution Camera.
- Get closer to what you like with the groundbreaking 100x Space Zoom and easily capture the moment with Single Take which creates GIFs, videos and images all at once with the tap of a button.
- Shoot stunning video in 8K and pull the perfect still in 33MP high resolution. Low light or no light, capture pro-grade video and vivid photos without flash using Bright Night.
- See it all on a rich 6.9" Dynamic AMOLED Infinity-O Display and share it faster in 5G(see note above).

The Next Generation of Galaxy is here.
