- iOS 14 with redesigned widgets on the Home screen, all-new App Library, App Clips, and more

¹The display has rounded corners. When measured as a rectangle, the screen is 6.06 inches diagonally. Actual viewable area is less. ²Claim based on iPhone 12 Ceramic Shield front compared with previous-generation iPhone. ³ Data plan required. 5G is available in select markets and through select carriers. Speeds vary based on site conditions and carrier. For details on 5G support, contact your carrier and see apple.com/iphone/cellular. ⁴Accessories are sold separately. ⁵ iPhone 12 is splash, water, and dust resistant and was tested under controlled laboratory conditions with a rating of IP68 under IEC standard 60529 (maximum depth of 6 meters up to 30 minutes). Splash, water, and dust resistance are not permanent conditions. Resistance might decrease as a result of normal wear. Do not attempt to charge a wet iPhone; refer to the user guide for cleaning and drying instructions. Liquid damage not covered under warranty.
